

Due to the recent economic crises,  
continuing poor health,  
inability to communicate effectively,  
stock market crash, budget cuts,  
rising unemployment, unstable world  
conditions, **outsourcing of business**,  
the cost of insurance, electricity,  
petroleum and taxes of all kinds,  
I regret to advise you that the  
**"Light at the End of the Tunnel"**  
has been turned off until further notice ...
